FAQ

What kind of books can I include in my reading log?

- Audiobooks, graphic novels, and manga count! Feel free to include them in your reading log.
- Required reading for school counts! Feel free to include academic reading in your reading log.
- If you read half or more than half of a book, but decide you don't like it, you can still include it in your reading log.

What kind of books can't be included in my reading log?

- **Re-reads do not count. Please do not include books you have re-read.**

How do I calculate how many NAPL Bucks I earned?

- **It's simple!**
 - Upon registration, you earn 5 NAPL Bucks.
 - From there, you earn 1 NAPL Buck for every 1 hour you read. So, if you spend 4 hours reading, you've earned 4 NAPL Bucks!
 - When you use NAPL Bucks to purchase a prize, be sure to deduct how much you spent from your total. So, if you earn 4 NAPL Bucks (in addition to your 5 NAPL Buck bonus) and spend 1, you have 8 NAPL Bucks remaining.
 - Additionally, you can earn 5 NAPL Bucks for each in-person/online event you attend!
- **Refer to the example or contact us for help!**
