

NAPL Kids Online Card

Individuals living in the Northampton Area School District may sign their children (ages 5-11) up for a kids digital resource library card. Kids may use the card immediately for eBooks, eAudios, online magazines, and all other eResources provided by NAPL.

To borrow items such as books, magazines, and CDs from NAPL, the parent and child must come in with their library card and ID to validate and activate their card for Library use. Individuals who already have an account with NAPL do not receive a new card. Check out our eResources today!
